

How to: Pick BETTER Accommodations

FILTERS: Most important for this trip

Notes:

1 GOAL: My compass for all decision-making

What will make this trip fantastic?

What are 3 things I must see and do?

2 PRACTICALITY: The fundamentals

Amenities: What I need or really want

Reviews: My deal breakers

3 TRIP DETAILS: My inspiration

Destination: What I love most

Timing: Seasonal options/benefits

Companions: How they like to travel

4 TRAVEL STYLE: How I travel

Preferences: My little-big things

Daily rhythm: What I want, when and where

Physical limitations: How to make things easier

5 CONSTRAINTS: What I'm working with

Time-saving options: Airports, trains, local flavor, place = experience

Money-saving options: Low season, stay longer, watch prices, loyalty cards, groups, place type

Must-see activities: Location, immersion

Accommodation options: How well do they meet my filters?

Once you narrow your accommodation options to your favorite 5, compare how well they meet your filters.
